Lawrence Buell, \"The Dream of the Great American Novel\" ~~The American Novel And The~~ *The American* is a novel by Henry James, originally published as a serial in *The Atlantic Monthly* in 1876–77 and then as a book in 1877. The novel is an uneasy combination of social comedy and melodrama concerning the adventures and misadventures of Christopher Newman, an essentially good-hearted but rather gauche American businessman on his first tour of Europe.

~~The American (novel) — Wikipedia~~

The term Great American Novel refers to a canonical novel that is thought to embody the essence of America. It is generally regarded as being written by an American and dealing in some way with the question of America's national character. The Great American Novel is considered America's equivalent of the national epic. The term was coined by John William De Forest in a 1868 essay. Although De Forest

mentioned Uncle Tom's Cabin as a possible contender, he noted that the Great American Novel had

The American novel, Fiedler argues, is above all a novel of horror. "Our novels," he writes, "seem not primitive, What Fiedler finds when gazing on the landscape of classic American fiction is the palpable and conspicuous absence of a dynamic, full-fledged female form--that and the absence of generative heterosexual love--the two subjects at the heart of the European novel tradition.

January 9, 2017. On this date in 1868, novelist John William DeForest coined the now inescapable term “the great American novel” in the title of an essay in *The Nation*. Now, don’t forget that in 1868, just a few years after the end of the Civil War, “America” was still an uncertain concept for many—though actually, in 2017 we might assert the same thing, which should give you a hint as to why the term “great American novel” is so problematic.

The American A social comedy about Christopher Newman, an American businessman on his first tour of Europe. Along the way, he finds a widow from an aristocratic French family.

The first book in many years to take in the full sweep of national fiction, *The Dream of the Great American Novel* explains why this supposedly antiquated idea continues to thrive. It shows that four G.A.N. "scripts" are keys to the dynamics of American literature and identity--and to the myth of a nation perpetually under construction.

An authoritative and lively account of the development of the genre, by leading experts in the field.

Gil Gamesh is the only pitcher who ever tried to kill the umpire, and John Baal, The Babe Ruth of the Big House, never hit a home run sober. But you've never heard of them -- or of the Ruppert Mundys, the

only homeless big-league ball team in American history -- because of the communist plot and the capitalist scandal that expunged the entire Patriot League from baseball memory. Philip Roth's richly imagined satiric narrative, *The Great American Novel*, turns baseball's status as national pastime and myth into an unfettered farce featuring heroism and perfidy, lively wordplay and a cast of characters that includes the House Un-American Activities Committee.

Examines the literary history of the American novel, and looks at the contributions of such writers as Herman Melville, Toni Morrison, and Saul Bellow

Love and Depth in the American Novel seeks to change how we think about the American love story and how we imagine the love of literature. By examining classics of nineteenth-century American literature, Ashley Barnes offers a new approach to literary theory that encompasses both New Historicism and the ethical turn in literary studies. Couples like Huck and Jim and Ishmael and Queequeg have grounded the classic account of the American novel as exceptionally gothic and antisocial. Barnes argues instead for a model of shared intimacy that connects the evangelical sentimental best seller to the high art of psychological realism. In her reading of works by Harriet Beecher Stowe, Nathaniel Hawthorne, Herman Melville, Elizabeth Stoddard, Henry James, and others in the context of nineteenth-century Protestant-Catholic debates about how to know and love God, what emerges is an alternate tradition of the American love story that pictures intimacy as communion rather than revelation. Barnes uses that unacknowledged love story to propose a model of literary critical intimacy that depends on reading fiction in its historical context.

A long-awaited new novel set in the period of the French and Indian Wars brings a new dimension to the region's history

The novels of Kurt Vonnegut depict a profoundly absurd and distinctly postmodern world. But in this critical study, Robert Tally argues that Vonnegut himself is actually a modernist, who is less interested in indulging in the free play of signifiers than in attempting to construct a model that could encompass the American experience at the end of the twentieth century. As a modernist wrestling with a postmodern condition, Vonnegut makes use of diverse and sometimes eccentric narrative techniques (such as metafiction, collage, and temporal slippages) to project a comprehensive vision of life in the United States. Vonnegut's novels thus become experiments in making sense of the radical transformations of self and society during that curious, unstable period called, perhaps ironically, the 'American Century.' An untimely figure, Vonnegut develops a postmodern iconography of American civilization while

simultaneously acknowledging the impossibility of a truly comprehensive representation.

The ineffectual Ambassador is just one of the handicaps facing the Americans as Southeast Asia becomes increasingly involved with Communism

"Emilio thinks he is living the American Dream: his parents, who emigrated from Guatemala to California, sacrifice daily to make sure of it. And his life seems relatively normal until he turns sixteen. Like most teenagers, Emilio is determined to get his driver's license-however, his mother dissuades him from doing so. When Emilio asks why, his parents reveal a shocking secret: he is undocumented. Emilio adjusts to his new normal. Under the Dreamers' Act, he attends Berkley. He falls in love. Everything seems fine...until Emilio gets into a car accident and-without a driver's license or any documentation-the policeman on the scene reports him to Immigration Services. Emilio is deported to Guatemala. But he is determined to get back to California, the only home he has ever known. It is an epic journey that takes him through the cities, jungles, and deserts of South America, towards thieves and corrupt law enforcement but also kind strangers and new friends. Drawing from interviews with Dreamers, and told in lyrical prose, Micheline Marcom weaves a heart-pounding and heartbreaking tale of adventure. This is a timely novel that asks us what we have in common, across experiences and borders, and what truly makes us American"--
