to the Hebrew Bible, from the beginning Jewish interpretation of those scriptures has been practiced with remarkable freedom. Karin Hedner Zetterholm offers a clear and concise introduction to the legal, theological, and historical presuppositions that shaped the dominant stream of rabbinic interpretation, including Mishnah, Talmud, and Midrashim, discussing specific examples of different interpretive methods. She then explores the contours of Jewish biblical interpretation evident in the New Testament and the legacy of ancient traditions in the way different Jewish movements read the Bible today. Students of the history of biblical interpretation and of Judaism will find this an important and engaging resource.

message. Performance Criticism

The Dictionary of the Bible and Ancient Media is a convenient and authoritative reference tool, introducing specific terms and concepts helpful to the study of the Bible and related literature in ancient communications culture. Since the early 1980s, biblical scholars have begun to explore the potentials of interdisciplinary theories of oral tradition, oral performance, personal and collective memory, ancient literacy and scribality, visual culture and ritual. Over time these theories have been combined with considerations of critical and exegetical problems in the study of the Bible, the history of Israel, Christian origins, and rabbinics. The

File Type PDF The Bible In Ancient And Modern Media Story And Performance

Dictionary of the Bible and Ancient Media responds to the rapid growth of the field by providing a source of reference that offers clear definitions, and in-depth discussions of relevant terms and concepts, and the relationships between them. The volume begins with an overview of 'ancient media studies' and a brief history of research to orient the reader to the field and the broader research context of the book, with individual entries on terms and topics commonly encountered in studies of the Bible in ancient media culture. Each entry defines the term/ concept under consideration, then offers more sustained discussion of the topic, paying particular attention to its relevance for the study of the Bible and related literature

Biblical Performance Criticism

Controversial evangelical Bible scholar, popular blogger and podcast host of The Bible for Normal People, and author of The Bible Tells Me So and The Sin of Certainty explains that the Bible is not an instruction manual or rule book but a powerful learning tool that nurtures our spiritual growth by refusing to provide us with easy answers but instead forces us to acquire wisdom. For many Christians, the Bible is a how-to manual filled with literal truths about belief that must be strictly followed. But the Bible is not static, Peter Enns argues. It does not hold easy answers to the perplexing questions and issues that confront us in our daily lives. Rather, the Bible is a dynamic instrument

File Type PDF The Bible In Ancient And Modern Media Story And Performance

Biblical Performance Criticism for study that not only offers an abundance of insights but provokes us to find our own answers to spiritual questions, cultivating God ' s wisdom within us. “ The Bible becomes a confusing mess when we expect it to function as a rulebook for faith. But when we allow the Bible to determine our expectations, we see that Wisdom, not answers, is the Bible ' s true subject matter, ” writes Enns. This distinction, he points out, is important because when we come to the Bible expecting it to be a textbook intended by God to give us unwavering certainty about our faith, we are actually creating problems for ourselves. The Bible, in other words, really isn ' t the problem; having the wrong expectation is what interferes with our reading. Rather

File Type PDF The Bible In Ancient And Modern Media Story And Performance

than considering the Bible as an ancient book weighed down with problems, flaws, and contradictions that must be defended by modern readers, Enns offers a vision of the holy scriptures as an inspired and empowering resource to help us better understand how to live as a person of faith today. How the Bible Actually Works makes clear that there is no one right way to read the Bible. Moving us beyond the damaging idea that “being right” is the most important measure of faith, Enns’ s freeing approach to Bible study helps us to instead focus on pursuing enlightenment and building our relationship with God—which is exactly what the Bible was designed to do.

Harmony, North Carolina is a typical town—full of saints and sinners you can ' t tell apart... Its history echoes with lynchings and shootings; mob violence and vigilante justice. But those are just whispers of a past lost to time. The summer of 2000 was different. Iggy in the Baptist church. Gasoline and a match. Twenty-five people dead. This, Harmony couldn ' t forget. Told in a kaleidoscope of timelines and voices, Michael Bible examines every dimension of a tragic but all-too-American story in *The Ancient Hours*. The victims, witnesses, perpetrators, and condemned come and evolve as the passage of time works its way through their lives. What emerges is a fable of the American South in the highest tradition: soaring, tragic, and

eternally striving for redemption.

In his startling book, Gary Greenberg exposes the reality behind the greatest story ever told. Learn about the Egyptian myths and ancient folklore that survive in one of history's most sacred texts, and discover how:

- King David's bodyguard, not David, killed Goliath
- Noah's Ark did not land on Mount Ararat
- Samson did not pull down a Philistine temple
- There are at least two versions of the Ten Commandments
- The walls of Jericho were destroyed 300 years before Joshua arrived there
- Sodom and Gomorrah were mythical cities that never existed
- The story of Esther had nothing to do with the Jews of Persia
- And much, much
