The Bloody Chamber Characters - BookRags.com | Study ...

Many of the characters of The Bloody Chamber are creatures who are half-human and half-beast, or else undergo some change from beast to human or vice versa. These creatures, like The Beast, the Erl-King, and the huntsman werewolf, exist in an in-between space in the world, neither fully human nor fully non-human.

familiar fairy tales and legends - Red Riding Hood, Bluebeard, Puss in Boots, Beauty and the Beast, vampires and werewolves - Angela Carter has created an absorbing collection of dark, sensual, fantastic stories. 'Magnificent set pieces of fastidious sensuality' Ian McEwan 'A quirky, original, and baroque stylist' Margaret Atwood Featuring an introduction from award-winning short story writer Helen Simpson

Angela Carter has taken old fairy stories, subtly altering and changing them to create strange glittering tales that will haunt the reader.

A Study Guide for Angela Carter's "Bloody Chamber," excerpted from Gale's acclaimed Short Stories for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Short Stories for Students for all of your research needs.

Angela Carter's series of short stories in The Bloody Chamber all reference classic fairy tales, re-imagined within the context of feminism in 1970s Britain. Your York Notes study guide will take you through each story in The Bloody Chamber with both detailed plot and action summaries and study focus sections which will help you understand key messages in the text, which you can revise and use in your essays and exam questions. Throughout the study guide you will also see key quotes from The Bloody Chamber to revise. To gain top marks in your English Literature A Levels when studying The Bloody Chamber you'll need an understanding of Carter's use of characters in the stories, and in particular the female protagonists like the Bride of The Bloody Chamber who plays a pivotal role. Using the York Notes online study guide to The Bloody Chamber you can make your own notes on each character as you study them. When you come to revising The Bloody Chamber before your exam you can scan through your own notes and quotes from each character. Examiners will expect responses to questions on The Bloody Chamber to go beyond recounting the story and to make regular references to the context of Carter's work, its feminist undertones and its often negative portrayal of male characters. Questions on The Bloody Chamber are likely to ask you to reference several stories in a single answer, and top-achieving students will be able to form coherent arguments backed up by comments and examples from multiple stories within the book. By reading exam-style sample answers on The Bloody Chamber and utilising revision tools from York Notes+ like the Critical Wheel and Essay Wizard you'll quickly learn to form high quality answers which meet the examiners criteria for high grades.

'Curiosity is the most fleeting of pleasures; the moment is satisfied, it ceases to exist and it always proves very, very expensive.' Angela Carter's playful and subversive retellings of Charles Perrault's classic fairy tales conjure up a world of resourceful women, black-hearted villains, wily animals and incredible transformations. In these seven stories, bristling with frank, earthy humour and gothic imagination, nothing is as it seems. This book includes Bluebeard, Little Red Riding Hood, Puss in Boots, The Sleeping Beauty of the Wood, Cinderella: or, The Glass Slipper, Ricky with the Tuft and The Foolish Wishes.

In Brixton, Nora and Dora Chance – twin chorus girls born and bred south of the river – are celebrating their 75th birthday. Over the river in Chelsea, their father and greatest actor of his generation Melchior Hazard turns 100 on the same day. As does his twin brother Peregrine. If, in fact, he's still alive. And if, in truth, Melchior is their real father after all... Wise Children is adapted for the stage from Angela Carter's last

novel about a theatrical family living in South London. It centres around twin chorus girls, Nora and Dora Chance, whose lives are brimming with mystery, illegitimacy and scandal. Dora narrates the story as her older self, looking back on a tumultuous life, throughout which she and her sister have loved to sing and dance. A big, bawdy tangle of theatrical joy and heartbreak, *Wise Children* is a celebration of show business, family, forgiveness and hope. Expect show girls and Shakespeare, sex and scandal, music, mischief and mistaken identity – and butterflies by the thousand.

A collection of thirty fine-quality postcards, with each illustration produced twice, giving you one card to send and one to keep, these postcards are all taken from *Comic and Curious Cats*. The book was a bestseller in both hard and soft covers and has been translated into many languages.

This work aims to develop new readings of the poetics and the politics of Angela Carter's *The Bloody Chamber and Other Stories* (1979) in the light of the bodily metamorphoses represented in the fairy tales. Metamorphic processes can be said to inform the stories of the collection both in a thematic and a stylistic perspective and address the need to rethink human experience altogether, especially as regards heterosexual relationships and power distribution between the sexes. By exhibiting the body and its changes in texts where it is traditionally concealed or treated as a natural essence, Carter foregrounds the powerful potential of metamorphosis – as a concept, a topic, a structuring and guiding principle, and as a proposed model – in order to expose and challenge patriarchal myths and discourses, which slow down or even prevent the progressive empowerment of women's conditions and positions within society (in the Seventies as well as today). Carter's creativity and commitment are engaged in a productive dialogue with some contemporary feminist philosophers, to show how and why her fairy tales and their transformative potential can be – once again – signified anew.
