The Last days of Magic by Mark Tompkins The Last Days of Magic is a quasi-historical fantasy set in Ireland. Drawn from the legends of Ireland and from (believe it or not!) the Dead Sea Scrolls, The Last Days of Magic tells the story of the Nephilim, the hybrid offspring of angels and humans, and the Sidhe ("shee"), the Irish faeries of whom much has been written.

The magic of the Druids was ultimately about the ascension and purification of the soul and had much in common with Buddhism. This book uses various elements of Celtic, Norse and other lore to create a super-violent world of murder and torment to titillate the reader. The magic here is sad and pointless and one is glad that it meets its "last days."

‘What will you do when the magic is gone?’ Sander Bree is a royal mage. Steeped in privilege, he lives a cushy life advising the king on matters of court and politics, yet still complains that he's stuck in a rut. Rosheen Katell is a freelance mage and, with Anzu her griffin, she’s worked hard to build a reputation as a trustworthy truth seer. She never lies, never kills. The source of their power is the Lapis Moon in orbit above. Very soon, that magic will be gone, changing their lives and their world forever. Sander must keep a promise that would have been difficult enough with magic, but is a suicide mission without it. Rosheen is forced to side with a murderous warlord, and her once-solid principles are tested and found wanting. Both will be set against one another in a war unlike anything the world has seen before, in this sweeping fantasy of magic’s ending. ** ‘Mark Stay paints his world and characters with deft, confident and dark strokes.’ – RJ Barker, author of the Wounded Kingdom Trilogy ‘The sort of book you give to people who say “prove to me why I should read fantasy”... A simply terrific read.’ – James Barclay, author of the Legends of the Raven series ‘Takes the tropes of high fantasy and uses them to wield an original, compelling and intricately plotted story... exactly the kind of fantasy that we need more of.’ – Gavin G. Smith, author of the Veteran series

The war between witches reaches its terrifying climax in the final book in Wall Street Journal bestselling author J.D. Horn's spellbinding trilogy. Once caged in an illusory realm by blood relatives, Alice Marin has been freed into a world where the last remnants of magic are quickly passing away. Dissolving with them is the unity among witches...and their sanity. Grappling with the revelations of her true parentage--and her burgeoning relationship with Nathalie Boudreau, a psychic with her own demons--Alice and her allies, both living and dead, must draw on every skill they possess. It's the only way to defeat the destructive forces borne of the horrifying history of Alice's own family. That means unlocking the final secrets of The Book of Unwinding. Now, on the longest night of the year, the streets of New Orleans will become a battleground as Alice and the few she can trust engage in a war amid the final days of magic. But the revelations that lie ahead may be too dark to escape.

Eliza's magical powers are growing but does she know enough to prevent Kwellrahg from killing her mother?

When long-dead magical creatures are discovered all around the world, each with a buried book of magic, the governments of the world want to unlock the power the books, but need the help of kids to harness the magical power.

Fort Fitzgerald is determined to uncover the truth, but a new student at school and the secrets he has to keep complicate matters in this second novel in a thrilling new series from the author of the New York Times bestselling Story Thieves! Fort Fitzgerald can’t stop having nightmares about the day his father was taken from him in an attack on Washington, DC. In these dreams, an Old One, an evil beyond comprehension, demands the location of the last dragon. But other than some dragon skeletons dug up with the books of magic on Discovery Day, Fort has never seen a dragon before. Could there still be one left alive? And weirdly, Fort’s not the only one at the Oppenheimer School having these nightmares. His new roommate, Gabriel, seems to know more than he’s letting on about this dragon as well. And why does everyone at the school seem to do whatever Gabriel says? What’s his secret? Fort’s going to need the help of his friends Cyrus, Jia, and Rachel, if he’s going to have any chance of keeping the Old Ones from returning to Earth. Unless, the Old Ones offer something Fort could never turn down...
