Tackling the subject of Formula One's most influential figures, Timothy Collings provides penetrating insights into Bernie Ecclestone, Max Mosley, Alain Prost, Jackie Stewart, Ron Dennis and many more.

How can two creatures that are so very different become friends? In fact, not only do Pinchy and Hanna become friends, but they survive and thrive because of each other. This tale of claws and teeth will warm your heart, and you'll never see piranhas the same way again.

In Gomorrah, a New York Times Book Review Notable Book of the Year, Roberto Saviano revealed a true, devastating portrait of Naples, Italy under the rule of the Camorra, a crime organization more powerful and violent than the Mafia. In The Piranhas, the international bestselling author returns to his home city with a novel of gang warfare and a young man's dark desire to rise to the top of Naples's underworld. Nicolas Fiorillo is a brilliant and ambitious fifteen-year-old from the slums of Naples, eager to make his mark and to acquire power and the money that comes with it. With nine friends, he sets out to create a new paranza, or gang. Together they roam the streets on their motorscooters, learning how to break into the network of small-time hoodlums that controls drug-dealing and petty crime in the city. They learn to cheat and to steal, to shoot semiautomatic pistols and AK-47s. Slowly they begin to wrest control of the neighborhoods from enemy gangs while making alliances with failing old bosses. Nicolas's strategic brilliance is prodigious, and his cohorts' rapid rise and envelopment in the ensuing maelstrom of violence and death is riveting and impossible to turn away from. In The Piranhas, Roberto Saviano imagines the lurid glamour of Nicolas's story with all the vividness and insight that made Gomorrah a worldwide sensation. [With the openhearted rashness that belongs to every true writer, Saviano returns to tell the story of the fierce and grieving heart of Naples.] [Elena Ferrante

Essential reading for anyone interested in life behind-the-scenes at Formula One. Formula One Grand Prix mechanic Steve Matchett takes the reader on a compelling journey through his life in the pit-lane, from his beginnings as a young apprentice, through his time at Ferrari and BMW to his later success with Benetton. He gives eye-witness views of the great drivers, including Michael Schumacher, Nigel Mansell, Alain Prost and Ayrton Senna. He also talks of key Benetton personalities, and explains how the team was transformed into a strong, competitive organisation, winning three World Championships. His determination and frustration in trying - and eventually succeeding - to break into the high-pressure world of Formula One leaps off the page.

Find out what piranhas eat -- and don't eat! -- in this new, irresistibly funny picture book from Aaron Blabey, the bestselling creator of Pig the Pug! Everyone knows that piranhas don't eat bananas -- except for Brian. This little fish loves to munch not only on bananas, but on fruit of all kinds! Brian's piranha friends think he's crazy. Piranhas don't eat bananas -- their sharp teeth are for eating meat! And there's a scrumptious pair of feet dangling in the water nearby...Rich with author-illustrator Aaron Blabey's hysterical text and unforgettably wacky illustrations, Piranhas Don't Eat Bananas is a hilarious story about trying new things -- no matter how strange they seem!

This book analyzes the threats to the property rights of business owners and investigates what makes these rights secure.

Juan Cabrillo and the crew of the Oregon find themselves exposed when a brilliant scientist blows their cover in the #1 New York Times/bestselling series by the grand master of adventure. In 1902, the volcano Mt. Pelée erupts on the island of Martinique, wiping out an entire city of thirty thousandand sinking a ship carrying a German scientist on the verge of an astonishing breakthrough. More than a century later, Juan Cabrillo will have to deal with that scientist's legacy. During a covert operation, Cabrillo and the crew meticulously fake the sinking of the Oregonbut when an unknown adversary tracks them down despite their planning and attempts to assassinate them, Cabrillo and his team struggle to fight back against an enemy who seems to be able to anticipate their every move. They discover that a traitorous American weapons designer has completed the German scientist's work, and now wields extraordinary power, sending the Oregonon a race against time to stop an attack that could lead to one man ruling over the largest empire the world has ever known.

The time was the 1980s. The place was Wall Street. The game was called Liar's Poker. Michael Lewis was fresh out of Princeton and the London School of Economics when he landed a job at Salomon Brothers, one of Wall Street's premier investment firms. During the next three years, Lewis rose from callow trainee to bond salesman, raking in millions for the firm and cashing in on a modern-day gold rush. Liar's Poker is the culmination of those heady, frenzied years—a behind-the-scenes look at a unique and turbulent time in American business. From the frat-boy camaraderie of the forty-first-floor trading room to the killer instinct that made ambitious young men gamble everything on a high-stakes game of bluffing and deception, here is Michael Lewis's knowing and hilarious insider's account of an unprecedented era of greed, gluttony, and outrageous fortune.

'The story of Brawn GP is legendary... Exciting and magical.' Damon Hill 'Nick Fry and Ed Gorman take us behind the mysterious and tightly closed doors of F1 to tell the remarkable story of the 2009 season.' Martin Brundle Foreword by Bernie Ecclestone The full story of F1's incredible 2009 championship battle has never been told. Until now. In this gripping memoir, Nick Fry, the former CEO of Brawn GP, reveals how he found himself in the driving seat for one of the most incredible journeys in the history of motor sport. At the end of 2008, Nick, then head of Honda's F1 team, was told by his Japanese bosses that the motor company was pulling out of F1 in thirty days. This bolt from the blue was a disaster for the team's 700 staff, for Ross Brawn, who Nick had recently recruited as chief engineer, and for the drivers, Jenson Button and Rubens Barrichello. But in a few short weeks, Nick and Ross would persuade Honda to sell them the company for £1 (plus all the liabilities). Just thirteen weeks later, the Brawn GP team, led by Nick and Ross, would emerge from these ashes, win the first Grand Prix of the 2009 season, and go on to win the Driver's and the Constructor's Championship, with a borrowed engine, a heavily adapted chassis and, at least initially, no sponsors. In Survive. Drive. Win., Nick gives an up-close-and-personal account of how he and Ross turned disaster into championship glory and laid the foundations for what was to become the Mercedes-AMG Petronas F1 team. Along the way he gives the inside track on the drivers, the rivalries between teams, on negotiating with Bernie Ecclestone, on hiring and working with two global superstars: Michael Schumacher and Lewis Hamilton - and offers a unique and thrilling perspective on an elite global sport.
