In classical antiquity, Illyria was a region in the western part of the Balkan Peninsula inhabited by numerous tribes of people collectively known as the Illyrians. Besides them, this region was also settled, in various times, by some tribes of Celts, Goths and Thracians. Illyrians spoke Illyrian languages, a group of Indo-European languages, which in ancient times perhaps had speakers in some parts in Southern Italy. The geographical term Illyris was used to define approximately the area of nor

AL-QARAWEE: The rise of ISIS in Iraq means that once again we are facing the failure of [the] post-colonial state in the region. Post-Saddam [Hussein] Iraq, which was supposed to become a model of democracy and inclusivity, ended up as a fragile state strongly weakened by ethnic and sectarian divides.
