Amazon.com: Doctor Who: The Sands of Time eBook: Richards ...

The Sands of Time is all about bringing historical facts to Christianity. When it comes to history, many overlook and tend to forget that the Bible is a historical book. There are times many people have questions and don't bother to ask or, like most, they just go with the flow. This is something that has been going on for generations.

And this was quite the enjoyable time travel mystery beyond it being a Doctor Who book. Doctor Who: Sands of Time has a lot going for it and is one of the more clever additions to the Monster Collection of novels. And I'm certainly looking forward to continuing to explore the different Doctor Who books to come.
