Abstract. This book is a full-length study of hospitality in the writings of Jacques Derrida. Hospitality is critically important in Derrida's writings, and his insights in this have been influential across a range of disciplines from geography, politics and sociology to literary studies and philosophy. It functions as a way of both thinking about relations between individuals, and analysing the (often inhospitable) reception of outsiders, such as refugees or migrants, by the community or state.

Abstract This paper comments on the absence of any commonly agreed theoretical framework about hospitality management. A tentative proposition is made for a model which identifies the inter-dependent and inter-related elements of hospitality management which might be used as a basis for management teaching and development as well as for research.
