From the creators of Dragons Love Tacos comes the third off-the-wall comedy featuring Old Man Fookwire, a lot of birds, and those darn squirrels. Old Man Fookwire's one pleasure in life is painting the birds in his backyard. When fall arrives and the birds fly south, Fookwire is desolate. The squirrels are curious: Where are the birds going, and what do they do once they get there? With their usual ingenuity and engineering skills, the squirrels devise a way to follow the birds to their destination, a tropical paradise. A wonderful time is had by all—all but grumpy Old Man Fookwire, alone at home. But the squirrels have a solution for that, too. Readers will revel in this third off-the-wall comedy featuring Old Man Fookwire, a lot of birds, and those darn squirrels.

From the creators of Dragons Love Tacos comes the story of what happens when a grumpy old man and some mischievous squirrels match wits—with hilarious results. Old Man Fookwire is a grump. The only thing he likes to do is paint pictures of the birds that visit his backyard. The problem is, they fly south every winter, leaving him sad and lonely. So he decides to get them to stay by putting up beautiful birdfeeders filled with seeds and berries. Unfortunately, the squirrels like the treats, too, and make a daring raid on the feeders. The conflict escalates—until the birds depart (as usual), and the squirrels come up with a plan that completely charms the old grump.

From the creators of Dragons Love Tacos comes the second laugh-out-loud story about Old Man Fookwire and the those darn squirrels! All is calm in old man Fookwire's yard until new neighbors—Little Old Lady Hu and her cat, Muffins—move in next door. Muffins is one mean dude! He terrorizes the birds, interrupts Fookwire's painting, and ties the squirrels' tails together. Fookwire is upset, but not nearly as upset as the squirrels, who devise an ingenious plan to stop Muffins cold. In this hilarious follow-up to Those Darn Squirrels!, the tongue-in-cheek text is perfectly complemented by the quirky, inventive illustrations.

An ordinary bubble may seem pretty harmless to you. To the monsters of La La Land, however, a fragile, shimmering bubble is an object of terror, and when the frightening habits of bubbles are detailed by a fear-mongering monster, Yerbort, Froofle, and Wumpus run away and cry. But with encouragement from the narrator and from readers—"Go on, Wumpus, you can do it. (Tell Wumpus he can do it.)"—the three learn to confront their fears and triumph over the bubbles! An original, offbeat, and giggle-inducing take on conquering fears from the New York Times best-selling team responsible for the groundbreaking Those Darn Squirrels! books.

This scrumptious New York Times bestseller has a whole lot of kick! Dragons love tacos. They love chicken tacos, beef tacos, great big tacos, and teeny tiny tacos. So if you want to lure a bunch of dragons to your party, you should definitely serve tacos. Buckets and buckets of tacos. Unfortunately, where there are tacos, there is also salsa. And if a dragon accidentally eats spicy salsa . . . oh, boy. You're in red-hot trouble. The award-winning team behind Those Darn Squirrels! has created an unforgettable, laugh-until-salsa-comes-out-of-your-nose tale of new friends and the perfect snack.

Fans of the best-selling *Dragons Love Tacos* will devour Adam Rubin and Daniel Salmieri's newest story, a hilarious picture book about robots that magically transforms into a super shiny metal ROBO-BOOK. FACT: Robots are awesome. They have lasers for eyes, rockets for feet, and supercomputers for brains! Plus, robots never have to eat steamed beans or take baths, or go to bed. If only there were some sort of magical "Robo-Sauce" that turned squishy little humans into giant awesome robots... Well, now there is. Giggle at the irreverent humor, gasp at the ingenious fold-out surprise ending, and gather the whole family to enjoy a unique story about the power of imagination. It's picture book technology the likes of which humanity has never seen!

With the wit and read-aloud appeal of Peter Brown's *Children Make Terrible Pets* and William Steig's *Pete's a Pizza*, this funny, fierce picture book teaches kids just what it takes to be a great lion. There are seven steps to becoming a proper lion, including Looking Fierce, Roaring, Prowling Around, and Pouncing. Our young hero, a rather meek and scrawny human boy, does his best to learn the necessary skills during his training with a master instructor (who just happens to be a real lion). After a grueling set of lessons, the boy discovers that the final step—Looking Out for Your Friends—is the most important of all. That's how any kid can earn his lion diploma (not to mention the affection of every cat in town).

From the bestselling author of *Dragons Love Tacos* comes a whimsical re-telling of the chupacabra folktale, written in a blend of English and Spanish. A long time ago, a girl named Carla lived on a goat farm with her father, Hector. One night, a goat disappeared from the farm and turned up flat as a pancake. Only one creature could do that--El Chupacabras, the goatsucker! Legend has it that El Chupacabras is a fearsome beast, but you can't believe everything you hear...and sometimes the truth is even more interesting. Told in equal parts English and Spanish by bestselling author Adam Rubin, and cinematically illustrated by acclaimed Hollywood creature creator Crash McCreery, this lighthearted take on a modern legend is not told in the traditional bilingual style. Each sentence is half-Spanish/half-English followed by a repetition of the same line translated the other way around. This mirroring technique allows the languages to intermingle equally. A fun and unique way to introduce either Spanish or English to new readers. A note from author Adam Rubin: "I decided to tell this story in an unusual way to explore the beauty of harmony. It's easy to dismiss the unfamiliar, but compassion takes a little more effort. With so many people trumpeting divisiveness right now, it's more important than ever to teach kids that there is more than one way to understand the world."

While Raccoon is eating pizza at his secret pizza party, he sees a masquerade party going on in the house next door and joins the fun. By the New York Times best-selling creators of *Dragons Love Tacos*!

The hilarious sequel to the smokin' hot New York Times best seller, perfect for story time. News alert! It has just been discovered that there are NO MORE TACOS left anywhere in the world. This is a huge problem because, as you know, dragons love tacos. If only there was a way for the dragons to travel back in time, to before tacos went extinct. Then they could grab lots of tacos and bring them back! It's the perfect plan, as long as there's no spicy salsa. You remember what happened last time . . . The award-winning creators of *Robo-Sauce* and *Secret Pizza Party* return with a gut-bustingly hilarious companion to the bestselling phenomenon *Dragons Love Tacos*.
