Heater core fix | Jeep Wrangler Forum

Total cost was \$52 for the heater core, \$60 for a vibrating saw and metal blade, \$10 for heater hose / clamps and about \$20 for hose and parts to flush the core (also used to empty the core before I cut the pipes). All in ~\$140 and three hours of my time. Jeep now has blistering heat coming out of all vents equally.

Heater core replacement | Jeep Wrangler Forum

Just replaced my heater core and A/C evaporator this past weekend. Overall, it was a pretty easy job, just very time consuming. It took me just under a day and a half to complete, but that was with me taking my time, cleaning all the dust and grime behind the dash, running to the hardware store to get a certain sized socket, etc.

Heater core replacement (pics) | Jeep Wrangler Forum
