Freud attempted to give a psychoanalysis into the minds of people and neurosis. In his book, Totem and Taboo, he proposes that all modern forms of socialization are shaped by the primitive culture of origin. In addition to that, he states that all behaviors of conformity spring from a common primitive form.

important taboo prohibition are the two basic laws of totemism: namely not to kill the totem animal, and to avoid sexual intercourse with totem companions of the other sex. As we know, an individual who has violated a taboo, becomes himself taboo because he has the dangerous property of tempting others to follow his example.
