The history of translation has been a topic that has long been debated by scholars and historians, though it is widely accepted that translation pre-dates the bible. The bible tells of different languages as well as giving insight to the interaction of speakers from different areas. The need for translation has been apparent since the earliest days of human interaction, whether it be for ...

tem, they could not avoid such flaws. Based on the above researches, in the 1990s, , History and Translation Culture co-authored by Susan Bassnett and Andre Lefevereformally put forward the idea of culture turn, which aroused many scholars' attention. They advocated cultural approach in translation studies to combine cultural
