extensive manual its this type of very good study this can be for all those who statte that there was not a worthy of reading

uncle elephant i can read level 2
"Uncle Elephant" is a lovely book. Although it is a level 2 "I can read" book, it also works well for story time with younger children. My 3-year old and I enjoy reading it together. We're big fans of Arnold Lobel. If you like 'Uncle Elephant' you should check out his other books including "Frog and Toad" and "Grasshopper on the Road".
