The successful country singer reveals her life since leaving home at the age of eighteen to pursue a singing career, while discussing her personal philosophies, her marriage, her friendships, and achievements. 1,000,000 first printing. \$600,000 ad/promo. Tour.

Based on over twenty-five years of spirit communication and thousands of professional readings, world-famous medium James Van Praagh shares with readers the personal regrets, misgivings, remorse, and, most important, the advice of the dead who have chosen him as a medium. These spirits have a great deal to say about what they have learned and discovered on the other side and how we, the living, can benefit from their experiences. Unfinished Business is filled with shocking and emotional stories of Van Praagh's communication with loved ones who cross over the barrier between the living and the dead to send messages to those whom they have left behind. Through these pro-found true stories, Van Praagh guides us on an adventure into the spirit world. The lessons for the living that he has learned from these experiences range from the dangers of emotional baggage caused by guilt, fear, and regret to the importance of karma, forgiveness, and taking responsibility for our actions. Van Praagh shares with us now the wisdom that, without him, we would only gain after death. Van Praagh writes: "When people shed their physical bodies at death, their spiritual selves see life from a whole new perspective. It's as if they had Lasik surgery. They can finally take off their glasses and see everything more clearly. "Spirits understand why certain situations had to happen. They are able to recognize the value of others, even their enemies, and what they had to learn from them. They also realize how they could have skipped certain mistakes by not letting their egos get in the way. After crossing into the light, spirits are ever eager to share their newfound knowledge with the living, and I am fortunate to be a beneficiary of spirits' wisdom and guidance, and I am happy to share their insights with you."

This "superbly written true-crime story" (Michael Lewis, The New York Times Book Review) masterfully brings together the tales of a serial killer in 1970s Alabama and of Harper Lee, the beloved author of To Kill a Mockingbird, who tried to write his story. Reverend Willie Maxwell was a rural preacher accused of murdering five of his family members, but with the help of a savvy lawyer, he escaped justice for years until a relative assassinated him at the funeral of his last victim. Despite hundreds of witnesses, Maxwell's murderer was acquitted--thanks to the same attorney who had previously defended the reverend himself. Sitting in the audience during the vigilante's trial was Harper Lee, who spent a year in town reporting on the Maxwell case and many more trying to finish the book she called The Reverend. Cep brings this remarkable story to life, from the horrifying murders to the courtroom drama to the racial politics of the Deep South, while offering a deeply moving portrait of one of our most revered writers.

Diaries kept during his years as head of the Tennessee Valley Authority and of the Atomic Energy Commission, among other important posts, form an autobiography of an important, versatile statesman.

The Reformation restored the Scriptures to the people, but the job was only halfway finished. Today the church is awakening to the truth that ministry is not just the domain of clergy, but belongs to the entire body of Christ. God is moving her to complete her unfinished business of placing the ministry back in the hands of the people. Unfinished Business has played a pivotal part in helping the church reclaim ministry at the grassroots level. First published in 1990 as The New Reformation, it has become a classic resource for church life. Expanding on and updating the original material with fresh examples and references to eight key important movements, this new edition lays foundations for the church to move from:· Passive to active· Maintenance to mission· Clergy to people of God· Teacher/caregiver to

Almost every significant talent and personality collaborated with Houseman in the theater, Hollywood, radio and television.
