To become a godkiller you have to awaken the monster inside you Almost a year has passed since Nate's ex-fiancée woke up a Greek god intent on world domination and war. The problem? He doesn't know which god. And the promised war hasn't started yet. With the Four Horsemen refusing to help, and an army of monsters living on his lawn, Nate resorts to the one thing he's best at pissing off demigods and Greek Heroes in hopes of jump-starting the war. But then he receives an ominous invitation that he literally cannot refuse. A dark, deadly place where nightmares roam free demands an audience. The Land of the Fae. He must forget every story he's heard about the Fae. They're nothing like he imagined, nothing like he's been told. But to kill a God, he must first become a monster.

But when a wizard curses Nate, extorting him to rescue a lethal Chimera child from the Beast Master, Nate's only option is to partner with his inner demon, risking his very soul. But his friends begin to doubt and fear this new, darker Nate, taking matters into their own hands - even when that means standing against him. A Wizard, an Angel, and a Horseman of the Apocalypse walk into a bar... The ancient pact between mankind, Heaven, and Hell has been broken. And this upstart wizard's quest for vengeance may have just kicked off Armageddon. So, time for a drink... or maybe two. Already plagued with sinister night terrors that could qualify him as a card-carrying psychopathic insomniac, Nate can barely even manage to put his pants on in the morning, let alone pick teams for the Apocalypse. But when he's framed as a demon sympathizer, condemned by the Armies of Heaven, and hunted down by both his allies and the Four Horsemen, this wizard doesn't think it can get any worse... Then they take away his magic. And a wizard without magic stands no chance against the forces of Heaven and Hell... If you like Jim Butcher, Kevin Hearne, or Patrick Rothfuss, you will LOVE the second installment of The Nate Temple Supernatural Thriller series.

The Six Healing Sounds that keep the vital organs in optimal condition • Presents vocalizations and accompanying postures that dissolve the tensions at the root of unhealthy chi flow and organ malfunction • Shows how to release excess heat trapped around the organs and redistribute it to cooler regions of the body to bring balance, health, and calmness to the entire system Thousands of years ago Taoist masters discovered that a healthy organ vibrates at a particular frequency. They found six sounds with the correct frequencies to keep each organ in optimal condition. To accompany these Six Healing Sounds, six postures were developed to activate the acupuncture meridians, or energy channels, of the corresponding organs. In The Six Healing Sounds Master Mantak Chia explains how the pressures of modern life can cause excess heat to become trapped around the organs, causing energy blockages and sickness. He shows readers how the vibrations of the Six Healing Sounds and their accompanying postures redistribute this excess heat to the cooler regions of the body, thereby stimulating and balancing chi energy and restoring the vital organs. Regular practice of the Six Healing Sounds promotes optimal health for the organs, increased sexual pleasure, emotional balance, and the prevention of illness.

Nate Temple must die. Mordred - the bastard son of King Arthur - has returned, and he will stop at nothing to utterly destroy everything his father ever created - burning the Arthurian Legend from the history books for good. He's already defeated Nate Temple once, corrupting the fabled Knights of the Round Table into darker, nigh-invincible, merciless, killing machines - nightmares. And once Camelot is nothing more than a pile of fiery rubble, Mordred plans to conquer St. Louis - after slaughtering Nate and everyone he's ever cared about, of course. But a vengeful god is also hunting Nate, and starts attacking his friends to draw him out. When one of Nate's best friends is gravely wounded, Nate is forced to make an impossible choice - save his city from Mordred or save his friend from a blood-crazed god. Both foes carry enough daddy issues to grant a first-year psychologist a second-year retirement. But Nate's not that stable either, and if he can't get a grip on his own demons, his victory might very well be worse than anything either of his enemies ever could have imagined. The only option left is to shatter all the rules, opening himself up to deadly powers better left untouched and forgotten - and even that is a fool's gambit, a whisper of a hope. Then again, if we don't have hope, we've already lost. So, it's time for Nate Temple to roll the dice. Because in this game, even Hope can die...

NATE TEMPLE HAS HOLES IN HIS SOUL, BOTH IMAGINED AND REAL And the only way to patch his soul back together is to go back to where it all began. To where he began. To where a Manling was born To a dangerous boy named Wyldc. Because to have any hope at standing against Mordred - to save Camelot and St. Louis alike - he must learn what it means to be a Catalyst. A little boy must know his legend - his origin. And he must learn the painful truth that his entire life has been meticulously planned and laid out like the steps to a choreographed dance. And that Mordred is just another dance card in a long line of future suitors at the Temple Ball. If Nate can survive the dance, that is! Let's discover what dangers a little boy can get into when his imagination is more real than reality itself! When the powers of life and death can be heard in the absent humming of a little boy playing in the woods with his cat Because behind every Song is a Mask waiting to be born. Or destroyed.

ABANDON ALL HOPE, THE FIFTH HORSEMAN SHALL RIDE... Nate Temple is on the hunt to right a wrong. Mordred - King Arthur's son - has escaped from Hell. And it's all Nate's fault. Pro-Tip: Don't let escapees rob the dreaded Nine Souls on their way out of Hell's Gates. It makes the escapee just an it'sy-bitsy bit stronger. But what are the Nine Souls? And what does St. Louis think about having a self-proclaimed King in the twenty-first century? And that's not the only thing he has to worry about. He's having flashbacks about his childhood in Fae, and it's crippling him with migraines that knock him unconscious any time he tries to press them. And Anubis is hunting him, because Nate recently accepted his job offer as the Guide to Hell, and it's not a work-from-home type of job. Nate's going to need to beg, borrow, and steal every scrap of power he can find to stand a snowball's chance in hell against Mordred and what the notorious traitor has in store for St. Louis. Because Mordred has been planning this moment his entire afterlife, from that dark empty cell in Hell, and will stop at nothing to get his father's old heirlooms back. A certain Round Table and a sword. Only then can his master plan truly begin... The world needs a Fifth Horseman. Whether they want it or not... Whether they can survive it or not... A: I wanted to write stories that mirrored the books I liked to read in my childhood. My top picks were usually urban fantasy, paranormal best sellers, and of course, books featuring your classic gritty, pulp-fiction heroes. Basically, anything with a lot of creepy crawly supernatural characters: mythical creatures, ancient heroes, super villains, and gods. You will find that my stories focus on the ancient myths, characters, and stories we all know, fear, and love. Then twist them up and toss them back like an empty beer can. Q: Aside from Nate Temple, what other books do you write, and what order should I read them in? A: I also write the Amazon Bestselling Feathers and Fire Series that takes place in the Temple Universe about a young female wizard named Callie who hunts monsters for the Vatican: Unchained Rage Whispers Angel's Roar Sinner - September 2018 Temple Chronicles eBook categories: Dark Fantasy Supernatural Thriller Witches & Wizards Urban Fantasy Thriller Supernatural Shifter Angels & Demons Science Fiction & Fantasy Paranormal and Urban Romance Supernatural Mystery and Suspense Vampires and Werewolves Scroll up and tap or click BUY NOW to jump face-first into this wild ride with Gods, Legends, shifters, and vampires! ***PREORDER NOW TO GET THE BOOK WIRELESSLY DELIVERED TO YOUR KINDLE!*** OVER A MILLION READERS HAVE BEEN PLEASURED BY THE TEMPLE VERSE NOVELS.
