for those students wishing to enroll in CHM 1040, or CHM 1220/1225 and CHM 1230, the laboratory co-requisite. The examination is a computer-based 25-item multiple-choice test, timed for 60 minutes. The exam content is based on a one-year high school chemistry course that included a laboratory.

~~Chemistry Placement Exam—Wayne State University~~

The Chemistry Placement Exam gives us a quick measure of your chemistry knowledge and of your skills at "doing chemistry."

These measures of your skills and knowledge will be useful only if they accurately reflect your background and abilities. Assuming that they do, based on your exam score, we place you into one of three groups.
