Step 1, Determine your baseline. Weight Watchers calculates a base for you to begin with. This base starts with your gender. Males: Allow yourself 8 points. Females: Allow yourself 2 points. Nursing females: Give yourself 10 points to account for the extra calories needed to sustain your child.Step 2, Account for your age. As we get older, our metabolism slows down. To account for this, Weight Watchers factors the age difference of clients into the total allowance. Ages 17 to 26: Add 4 ...
