This sequel to the popular I Ching Wisdom Volume One contains more of Wu Wei's profound sayings drawn from the I Ching's deepest wisdom. Wu Wei has added his enlightened comments to these sayings to help us apply the practical, timeless wisdom of the I Ching to our lives. The wisdom of the I Ching reveals the universal laws that govern us all, and I Ching Wisdom shows us how to live in harmony with those laws to live a life of peace, love, happiness, prosperity, and success. The I Ching's invaluable insights, says Wu Wei, help us steer a safer, clearer course through the uncharted journey of our lives, teach us to recognize and avoid the pitfalls that beset the path of the unenlightened, and show us how to "soar to

the heights of success and good fortune." Each saying is accompanied by a delightful Chinese ink drawing done in the Zen style by the author.

Stephen Hawking was recognized as one of the greatest minds of our time and a figure of inspiration after defying his ALS diagnosis at age twenty-one. He is known for both his breakthroughs in theoretical physics as well as his ability to make complex concepts accessible for all, and was beloved for his mischievous sense of humor. At the time of his death, Hawking was working on a final project: a book compiling his answers to the "big" questions that he was so often posed--questions that ranged beyond his academic field. Within these pages, he provides his personal views on our biggest challenges as a human race, and where we, as a planet, are heading next. Each section will be introduced by a leading thinker offering his or her own insight into Professor Hawking's contribution to our understanding. The book will also feature a foreword from Academy Award winning actor Eddie Redmayne, who portrayed Hawking in the film *The Theory of Everything*, and an afterword by Hawking's daughter, Lucy Hawking, as well as personal photographs and additional archival material.

This revised and expanded edition of Wu Wei's well-loved version of the I Ching is unparalleled in its clarity, making this the easiest-to-grasp I Ching ever published. The I Ching is a book of answers that miraculously guides us to success in every possible situation. Yet, if we are to rely with absolute certainty on the I Ching for guidance to our most vital questions, we need answers that are clear and straightforward, leaving no room for confusion or misunderstanding. Wu Wei has guided thousands of people in the use of this great book and knows precisely what you need so you can put your trust in its prophetic guidance. Wu Wei's insightful interpretations of the I Ching's sixty-four hexagrams provide perfectly clear, unambiguous direction while remaining completely true to the ancient writings. You will know exactly what action to take to avoid misfortune and achieve success. *The I Ching: The Book of Answers* contains everything you need to know about the I Ching and how to use it.

The book educates and equip prophetic christian readers on how to defeat devil through knowledge of Wisdoms' applications, which includes the knowledge of scriptures like Jesus Christ did. We learn how important is Submission, how to respond to temptations, and how to scripturally persist in spiritual war. The book also helps us to desire the gift of discernment as it helps in revelation during spiritual wars. Furthermore, Jesus the Christ defeated Satan through parable, nothing, prophetic, evident, rebuking, unquestionable, worship, Question by Question and factual wisdom. As Christians following

Jesus Christ, we have to follow our Master Jesus in all ways and copy exactly the wisdom He used in defeating the devil and his angels. I wrote this book under the influence of the gift of revelation by the Holy Spirit. I believe this little book will change the life of many, and make Christians to face the enemy differently, and learn about the wisdom used by our King Lord Jesus during his fight against the devil.

Are you the sort of person who is not content simply to judge life according to surface appearances? Do you seek answers to the deeper questions of human existence? Do you feel a profound yearning for something "higher" than a merely materialistic view of the world? Are you curious about the meaning of life? the mystery of death? the nature of "ultimate reality?" the significance of human mortality? Do you have a desire to cultivate the inner life of the mind? Do you wish to achieve more harmonious states of psychological health, and greater effectiveness in everyday living? Do you believe in higher states of consciousness? Do you find that you are naturally drawn toward subjects such as meditation, self-improvement, near-death experiences, and other topics of a "spiritual" nature? Do you believe that the key to "material prosperity" may perhaps lie in right THINKING? If the answer to any of the above questions is "yes," we strongly urge you to purchase the book whose back cover are now reading. For you are precisely the kind of person who is capable of benefiting most from a serious and sustained study of this highly practical guide to spiritual progress.
