This mammoth book is the largest collection of surf-spot information ever compiled, with detailed analysis of the surf spots, swell forecasting and more.

Information on where and when to surf plus pollution, erosion, hazards, access are covered in all the guides together with surf culture illuminating the history, surf media, contests and localism of the best surf spots around the world.

The first and only guide describing North America's most famous waves, specifically written for surfers, by surfers, in collaboration with America's leading surf journalists. Its functional design with beautiful images from the best international surf photographers, plus accurate relief maps, make it the only complete guide to wave sport locations in North America. A crucial travel guide for all types of surfers, providing essential information on where to go, when to go, history, culture and environment. Appraisals of the North American continent from Baja to Alaska in the west and Miami to Nova Scotia in the east. Detailed information on the main surfing locations include consistency, crowds, hazards and many environmental notes from access to water quality.

Spellbinding action and breathless adventure—these are the realms of David Gemmell. His mythic characters represent the ultimates in good and evil, and everything in between. Brilliant warriors, they are heartbreakingly human in their ability to love, sacrifice, and summon extraordinary courage when all seems lost. With Stormrider, Gemmell continues his spectacular Rigante saga as the imperiled highland clan faces its deadliest threat . . . and calls for its greatest hero. STORMRIDER A Novel of the Rigante Centuries ago, Connavar ' s

triumphant battles against the invading army of Stone gained the Rigante their freedom, yet magic that once flourished has been all but snuffed out. The Varlish king and his barons have stolen Rigante lands and robbed the people of their culture and liberty. From the Rigante's former seat of power the black-hearted Moidart rules; only in the north are the clansmen free. There, in the Druagh mountains, the magic still reigns, strengthened by bold, brilliant victories of the outlaw leader known as Ravenheart. One glorious spark, one moment of Rigante rebellion, has ignited a revolution and forged a legend. The conquered clans set about to rediscover their greatness—yet theirs is not the only call to arms. In the south, civil war has drenched the land in blood, and the armies of destruction have begun creeping north. There the brooding Ravenheart waits, knowing the forces of the hated Moidart will come, led by the brutal ruler's only son, Stormrider. Ravenheart and Stormrider: enemies of uncommon courage, are unaware that the fate of the world lies in their hands. Faced with this inexorable advance, deadly foes will be forced to unite, and a secret lost in the uncharted past will return to haunt these two warriors as they face the vengeance of an ancient evil. Immense armies of darkness advance on the highlanders, and it seems as if nothing will stop them. They crush their enemies with ease, until only a few thousand men stand before them, with no help in sight. But these are not ordinary men they face. They are clansmen, and more than that, they are Rigante.

Stormrider Guides are the ultimate surf travel guide books, providing essential surfing information from around the world. Generally acknowledged as the finest surf travel books available, they are often referred to as The Surfer's Bible. Now in one book, the Stormrider Surf Guide to Europe is the most comprehensive guide to where to surf in Europe available. All the heavyweight European countries are covered as well as the North Atlantic island chain plus Scandinavia. Containing detailed seasonal water temperatures and wetsuit recommendations, wave type, and wind and tide information, as well as tourist and cultural information, this book will be appreciated by surfers and non-surfers alike. Includes France, Spain, Portugal, Morocco, Italy, Denmark, Germany, The Netherlands, Belgium, Iceland, Norway, Sweden, Ireland, Wales, England, Scotland, Azores, Madeira, and the Canary Islands.

The newest addition to the Stormrider Surf Guide series takes a journey through the wave-rich deserts, jungles, and tropical islands sandwiched between North America and South America. This region hosts some of the most fun and funky surf spots around, immersed in a kaleidoscope of cultures and backdrops. Beautifully presented maps, photos and up-to-date, reliable surf information make this Stormrider Surf Guide the ultimate and only accurate guide to the middle of the Americas and a must-have item for any trip to Central America and the Caribbean. Detailed descriptions of the waves in Mexico, Guatemala, El Salvador, Nicaragua, Costa Rica, Panama, The Bahamas, Cuba, Jamaica, Haiti, Dominican Republic, Puerto Rico, British Virgin Islands, St. Martin and St. Barts, Barbuda and Antigua, Guadeloupe, Martinique, Barbados, Trinidad, and Tobago. Surf forecasting information includes monthly swell and weather data, helping travelers decide on when to go, plus crucial travelling information from flights and accommodation to sightseeing and hazards.

From #1 New York Times bestselling author Brandon Sanderson, Words of Radiance, Book Two of the Stormlight Archive, continues the immersive fantasy epic that The Way of Kings began. Expected by his enemies to die the miserable death of a military slave, Kaladin survived to be given command of the royal bodyguards, a controversial first for a low-status "darkeyes." Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the Assassin, all while secretly struggling to master remarkable new powers that are somehow linked to his honorspren, Syl. The Assassin, Szeth,

is active again, murdering rulers all over the world of Roshar, using his baffling powers to thwart every bodyguard and elude all pursuers. Among his prime targets is Highprince Dalinar, widely considered the power behind the Alethi throne. His leading role in the war would seem reason enough, but the Assassin's master has much deeper motives. Brilliant but troubled Shallan strives along a parallel path. Despite being broken in ways she refuses to acknowledge, she bears a terrible burden: to somehow prevent the return of the legendary Voidbringers and the civilization-ending Desolation that will follow. The secrets she needs can be found at the Shattered Plains, but just arriving there proves more difficult than she could have imagined. Meanwhile, at the heart of the Shattered Plains, the Parshendi are making an epochal decision. Hard pressed by years of Alethi attacks, their numbers ever shrinking, they are convinced by their war leader, Eshonai, to risk everything on a desperate gamble with the very supernatural forces they once fled. The possible consequences for Parshendi and humans alike, indeed, for Roshar itself, are as dangerous as they are incalculable. "A world made by the Eight Creators on which to play out their games of passion and power, Paradise is a sprawling, diverse, often brutal place. Men and women live on Paradise as do dogs, cats, ferrets, goats, and horses. But dinosaurs predominate: wildlife, monsters, beasts of burden--and of war"--Amazon.com.

The complete and unedited original series of his cult Australian surf comic, The Adventures of Gonad Man. Described by Matt Warshaw in The Encyclopedia of Surfing (2003) as a "biting and intelligent surfing cartoon strip...", Gonad Man flipped the bird at the corporatisation of '90s surf culture and gave surfers a chance to laugh at themselves. With a foreword by Dave Parmenter, this must-have edition runs to over a hundred and thirty pages. It features all published episodes, from 1993-99, including the original, infamous 'Meaning of Life' poster, plus a bonus short story, The Tao of Surfing.
